

# Tanner Ritz's Eagle Project

From Boy Scout Troop 61

## Trail Signs for Fisher's Park

Have you wanted to go hiking at Fisher's Park, but were afraid of getting lost on the trail system?

- My Eagle Project consists of professionally made signs from *McAllister Sign Inc.* with a map of the Fisher's Park trail system strategically set up along the trailways alongside other markers to help people better navigate through the winding trails.

I have calculated that I will need to raise about: **\$500**

- This should cover costs such as: signs, wood, paint, construction materials; nails, screws, etc., and any other unforeseen cost.

Please consider donating today at:
